NM Outfitter agreement with hunter/client

The hunter/client agrees to be applied in the New Mexico Outfitter 10% Special Drawing Pool, under the above named NM Outfitter. Any hunter/client drawing a license from the 10% pool, by law, must hunt with the NM Outfitter unless otherwise released in writing by said NM Outfitter. The NM Outfitter shall ensure that the hunter/client is accompanied by the outfitter or their registered guide for at least two days of hunt. The hunt must be fully outfitted to include the following at a minimum; lodging, meals and a registered guide unless otherwise specified in a signed contract following the draw license results. **Contract shall remain valid for 3 years upon entering into this agreement.**

All Outfitters shall execute a signed contract with all hunter/clients before the hunt begins, the contract must be dated, signed by all parties to the contract and shall designate the terms, the compensation charged and the services to be provided. An outfitter may release a hunter/client to another qualified registered outfitter provided that the original application contract was valid, in place prior to the application deadline and only if it is mutually agreed upon by all parties. The release shall be in writing and shall be signed by all parties.

If hunter/client elects to be released by the NM Outfitter to a registered New Mexico Outfitter of their choice, hunter/client agrees that it is at their own risk and assumes all liability. Hunter/client recognizes that their hunting license drawn from the 10% pool is not valid unless they have a written contract with and hunt with a registered NM Outfitter; those hunter/clients who choose to hunt on their own may be prosecuted for hunting without a valid license.
